Description

For information about retired versions, please see: [Sage 100 Retired versions \(view2.jsp?k2dockey=221924460115790\)](#)
Note: Previous retirement dates were on September 30, which coincided with new releases. As current versions are no longer released in October, retirement dates have changed.

Resolution

	2023	2022 (7.10) Payroll 2.22	2021 (7.00) Payroll 2.21
Sage 100 (Standard, Advanced, Premium)	Payroll 2.23		
Release Date	April 27, 2023	April 18, 2023	April, 2021
End of Support (Retirement date is the release date of the Sage 100 20XX version stated)	Release date of 2026	Release date of 2025	Release date of 2024

Important:

- Retired versions have limited phone support or support is no longer available - i.e. Sage 100 Customer Support may decline to support, and is no longer making callback appointments or researching issues for, retired Sage 100 (formerly Sage MAS 90 or 200) versions
- Sage reserves the right to determine if and when Product Updates and Hot Fixes will be issued.

Special PAYROLL Considerations:

- If you are using Payroll in Sage 100 version 2017 or earlier, you will need to work with your Sage business partner to upgrade to a supported version of Sage 100 Payroll to remain compliant. We always recommend users upgrade to the most current Sage 100 Payroll version available for compliance and other changes.
